TANGOSA  
ENSEMBLE

# About us

---

Tangosa is a group of young, ambitious, unconcerned and, above all, passionate musicians who want to share their love of tango with others.

The band was formed from 2022 to finally form as: Kacper Kaczmarek (bandoneon), Olivia Bujnowicz (violin), Szymon Drabinski (piano), Tomasz Dziubinski (guitar), Jakub Kaczmarczyk (double bass).

## Offer

---

Tangosa's concerts move the listener to the very heart of Argentina - Buenos Aires. We perform these more, as well as and lesser-known works by Astor Piazzolla, while creating our own unique style.

The previews of the songs are unusual in that they consist of spontaneous, free conversation between the band members among themselves, which helps to reduce the distance between the listeners and the artists.

The duration of the concert ranges from 1 h to 1.5 h.
