TANGOSA ENSEMBLE

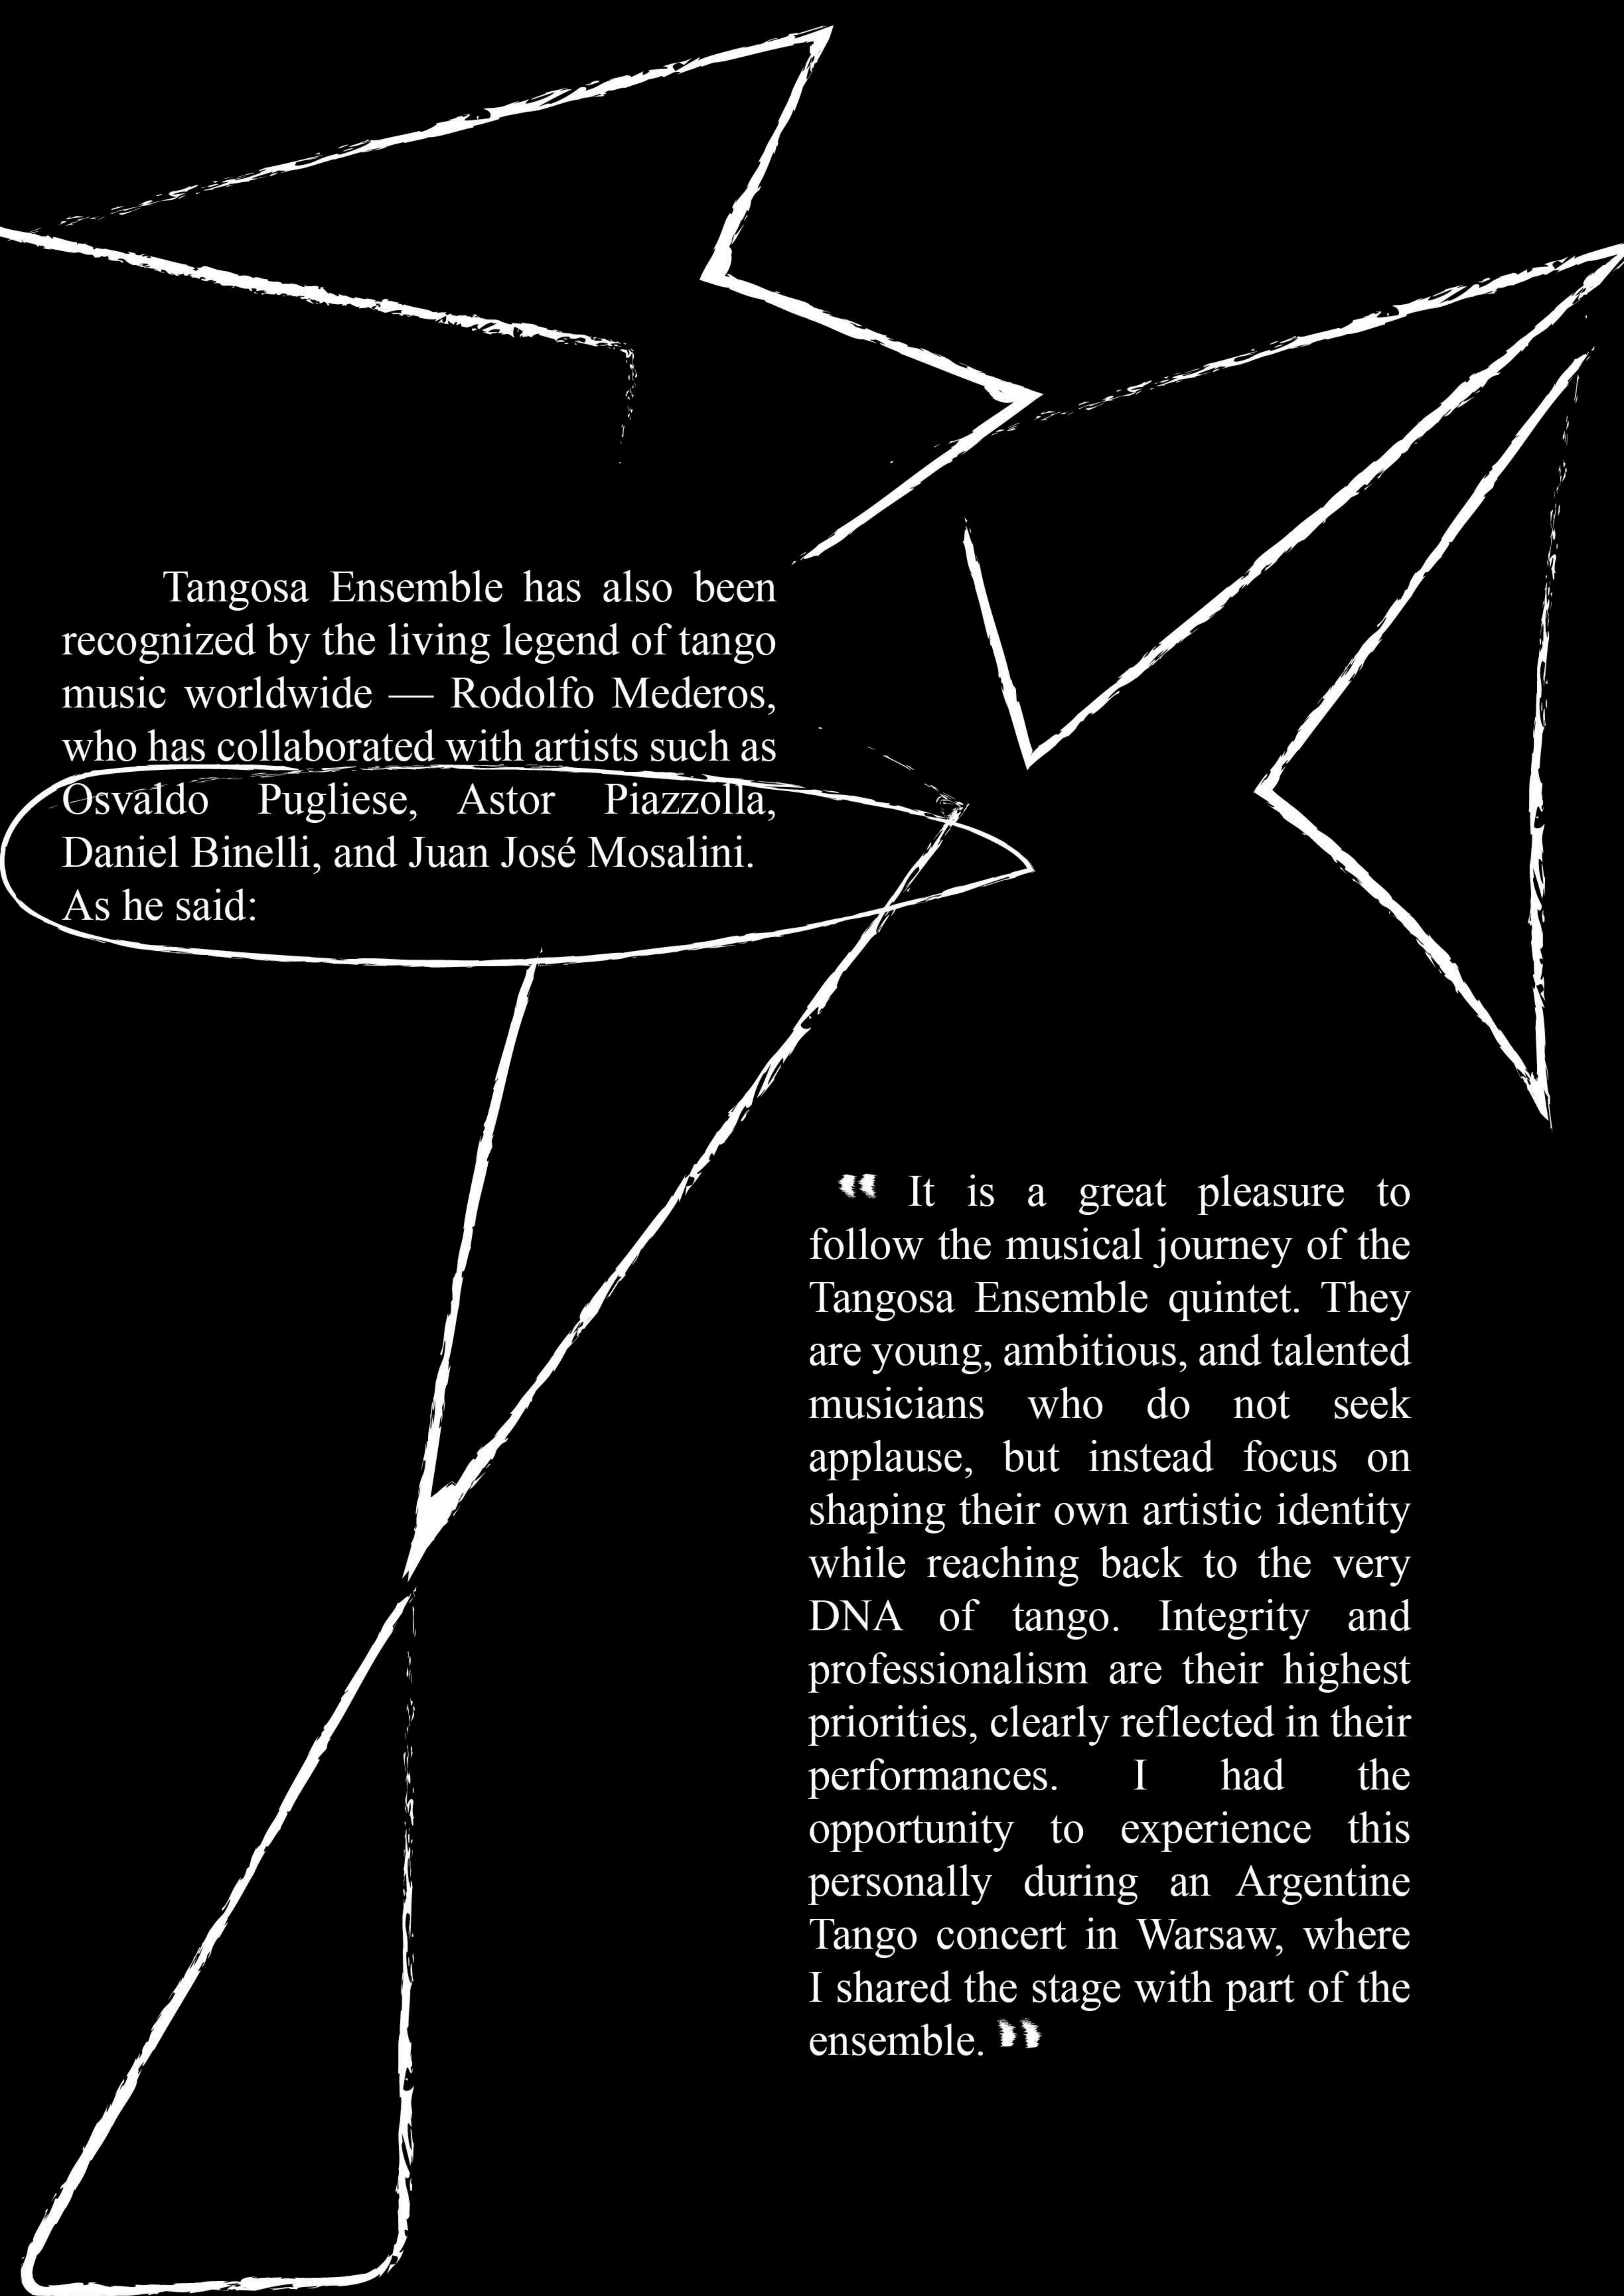

ABOUT US

Tangosa Ensemble is a group of young, ambitious, and uncompromising musicians who are, above all, driven by passion and a desire to share their love for traditional tango and Tango Nuevo with audiences.

The ensemble consists of:

- ✿ Kacper Kaczmarek (bandoneon)
- ✿ Olivia Bujnowicz-Wadowska (violin)
- ✿ Szymon Drabiński (piano)
- ✿ Tomasz Dziubiński (guitar)
- ✿ Jakub Kaczmarczyk (double bass)

The members of the ensemble are acclaimed musicians and prize winners of national and international music competitions. They also collaborate with numerous cultural institutions, including the National Philharmonic in Warsaw, the Sinfonia Varsovia Orchestra, the Fryderyk Chopin Institute, and the Polish Royal Opera. Their artistic achievements also include performances in some of the most prestigious concert halls across Europe, Asia, and the United States, including Carnegie Hall in New York.

Tangosa Ensemble has also been recognized by the living legend of tango music worldwide — Rodolfo Mederos, who has collaborated with artists such as Osvaldo Pugliese, Astor Piazzolla, Daniel Binelli, and Juan José Mosalini. As he said:

“ It is a great pleasure to follow the musical journey of the Tangosa Ensemble quintet. They are young, ambitious, and talented musicians who do not seek applause, but instead focus on shaping their own artistic identity while reaching back to the very DNA of tango. Integrity and professionalism are their highest priorities, clearly reflected in their performances. I had the opportunity to experience this personally during an Argentine Tango concert in Warsaw, where I shared the stage with part of the ensemble. ”

OFFER

Tangosa Ensemble concerts take the audience straight to the heart of Argentina — Buenos Aires. An evening with the music of Astor Piazzolla is an experience full of contrasts, passion, and fire. While performing tangos, we give them our own unique style, filled with intense emotions. During our concerts, we also interact with the audience, introducing the genre of Tango Nuevo and sharing stories about its history and the winding paths of its creators.

REPERTOIRE

Our repertoire consists primarily of works by Astor Piazzolla in the Tango Nuevo style. For each event, we select a unique set of pieces to best match the occasion and the character of the concert. We also offer ready-made concert programs that enjoy great popularity among audiences.
